## OUR ECO TOP TIPS...

Check out our top tips for your visit to Victoria Place.

### Did you know?

Coffee grounds can be used as a fertiliser in your garden. Collect them for free at Costa Coffee and M&S Café.

### Invest in a reusable coffee cup!

You can get a discount on drinks in Starbucks, Costa Coffee and Pret A Manger.

PS. You'll find re-usable cups in lots of our retailers including Wilko's, Bare + Fair and Robert Dyas.

### Having fun at Victoria Place is thirsty work!

Bring a water bottle with you and pop into Costa Coffee, Pret a Manger, Auntie Anne's or Greggs for a free refill.

### Grab an end-of-day bargain to help reduce food waste!

Download the 'Too Good to Go' app and pick up a bag of goodies from Starbucks, Pret A Manger and Gail's. Plus, Costa Coffee and itsu offer discounts on any surplus food.

## THE PLACE TO RECYCLE...

Recycling your old clothes, packaging and electricals is easy at Victoria Place.

### Had a clear out of your wardrobe?

Donate your coat to our donation point next to H&M in Town Mall. Or drop your pre-loved clothes into T K Maxx, FatFace, M&S, Clarks and H&M to be recycled and reused. Some stores even offer incentives!

### Don't want to let go?

Give your clothes a new lease of life at our two alterations companies, Crown Alterations and The Alteration Yard.

**Have spare hangers?**  
Hang them on our hanger rail next to H&M in Town Mall for others to pick up and reuse.

### What about electrical items?

If you've bought an electrical item from Primark, Ryman or Robert Dyas, you can recycle the product you're replacing in store.

### Don't know what to do with your old batteries?

Recycle them at Robert Dyas, Superdrug, Tesco or Ryman. At Ryman you can also recycle pens, ink and toner cartridges as well as soda stream cylinders.

### Want to avoid throwing your empty health and beauty products away?

Take them into The Body Shop and they'll recycle them for you. Plus, at Specsavers you can recycle your contact lenses and glasses.

### Eaten all the chocolate?

Return your packaging to Hotel Chocolat for recycling.

## SHOPPING SUSTAINABLY...

There are plenty of retailers at Victoria Place that are doing their bit to help you shop more sustainably.

### Topping up on the essentials?

Award-winning zero waste and refill shop Bare + Fair will inspire you to shop sustainably. Bring your own containers and fill up on staple food ingredients, toiletries and household products.

### Stocking up on stationery?

Go sustainable with Ryman's eco-friendly products and both WHSmith's and Paperchase's 'Conscious Living' ranges. Plus, you'll want to check out Paperchase's 'Sugar Cane' 3D printing range.

### Want to learn more about sustainable living?

Head to Waterstones or WHSmith to browse their range of books.

### Want to shop for sustainable fashion?

#### Explore:

- New Look's 'Kind' range
- FatFace's responsible denim range
- Moss Bros' eco suits
- 'Thought' clothing brand at Next
- Primark 'Cares' range
